We know, as well as you, that these attacks are not about "safety". The FBI stats, UN Commission and EU Conservative findings place Europe (anti gun) in top 10 world's most violent nations per capita. They PROVE Americans are safer because of our guns! *Sources are given on images*

Where is the USA on the list? #24

Sandy Hook was a CAPSTONE FEMA EXERCISE where no one died, yet you continue lying to the people. We all know what these attacks are about and its about control.

Suffice it to say, you won't like the totalitarian police state you are perpetuating any more than the rest of middle class Americans.

You aren't in the 1% never have and never will be.

The Luciferians / illuminati/ Zionist...who [you] all "carry water for", see you as a tool. As soon as you are no longer useful, you too will be discarded. So, don't think you will be exempt.

This is the real reason for the gun grabs: UN AGENDA 21 calls for depopulation of the world to a "sustainable 500 million worldwide in the next 50-75 years... with a goal of 3.5 billion by 2050. You know what that means? MANY people have to die according to the Zionist (secret cult who happen to have many Jewish followers).

I realize this message will be read by an intern so take note. The people behind this act of tyranny will someday be held accountable by the good people of society. No logic or facts justify this criminal "gun grab".

CT is testing grounds for the one world socialist government. It will ultimately fail, but I fear, they will cause much bloodshed first.
